

## SWENext Mission

- Empower students to prepare for careers in engineering and technology.
- Provide programming for students to develop leadership skills and self-confidence to succeed in careers in engineering and technology.
- Expand the image of the engineering and technology professions as a positive force in improving the quality of life.
- Demonstrate the value of diversity, equity and inclusion.
- Provide programming to empower students to become advocates for peers and younger girls.

## Join SWENext

Interested in learning more about engineering and other STEM fields?  
Join [SWENext](https://swe.org/k-12-outreach/youth-programs/) (<https://swe.org/k-12-outreach/youth-programs/>) today!

SWENext is a free program that offers awesome resources for students interested in engineering including a monthly newsletter, a [high school leadership academy](https://swe.org/learning/high-school-leadership-academy/) (<https://swe.org/learning/high-school-leadership-academy/>), an [awards program](https://swe.org/k-12-outreach/swenext/swenext-awards/) (<https://swe.org/k-12-outreach/swenext/swenext-awards/>), access to over \$1 million in college [scholarships](https://swe.org/scholarships/) (<https://swe.org/scholarships/>), and more!

To join, just use this [link](http://marketing.swe.org/l/858553/2020-07-27/2rstw) (<http://marketing.swe.org/l/858553/2020-07-27/2rstw>) if you are over 13 or this [link](http://marketing.swe.org/l/858553/2020-08-11/3z2z9) (<http://marketing.swe.org/l/858553/2020-08-11/3z2z9>) if you are under 13.

Don't forget to use the event code "**SWEDET**" so the Society of Women Engineers - [Detroit Section](#) is credited for your registration!
