

How do you sign up for the ACT? YES, you can still take it. Colleges accept either test but check which one scholarships are tied to.

[Online registration](#) is the fastest method. You will know immediately if your preferred test center has space for you to test and can print your admission ticket. How you sign up depends on where and how you plan to test: please see below for how to register.

- If you plan to test at a national or international test center, sign up online by creating or logging in to your student Web account
- If you are requesting extended time or other accommodations for the first time, sign up online by creating or logging in to your student Web account or register by mail **in addition to** completing the application request and submitting required documentation.
- If you missed the late registration deadline, you may request standby testing by creating a Web account and completing a downloadable request form.
- If you are homebound or confined, cannot find a test center within 50 miles of your home (U.S. and Canada) or in your country (other locations), or you need a Non-Saturday test center and one is not established within 50 miles of your home (or in your country if outside the U.S. or Canada), on **all test dates**, check the requirements for Arranged Testing
- Uploaded Photo requirements: Your photo must be a clear image of you (not blurry, grainy, or fuzzy) against a plain, light-colored background. The photo must be a head and shoulders shot of you—and only you. If your photo shows more than your head and shoulders, it will be rejected. You must use a portrait, not landscape, photo that is correctly oriented. You must be facing the camera. You cannot wear dark glasses. If you wear a head covering daily for religious reasons, adjust it to provide a full-face view.
