

Please be advised the applications for Macomb Community College's MAP+ Winter 2021 and Summer 2021 cohorts are now available. As a reminder, The Michigan Apprenticeship Program Plus (MAP+) Industrial Readiness Program at Macomb Community College prepares students for an advanced manufacturing skilled trades career, apprenticeship or similar work-based learning opportunity. In one semester, students participate in four foundational classes as well as student success seminars. Tuition is FREE for qualifying applicants and will run virtually.

Additional information, application and MAP+ contact can be found on the [program's website](#).
