Credit Recovery Program 2020-2021

Utica High School

The credit recovery program is for high school students in need of make-up credits; students must have failed or lost credit in the course in order to enroll. ***Students must call or email their school counselor to determine needed course(s).**

IMPORTANT: Students will earn a ½ credit for each course successfully completed. Students will receive a letter grade for each course completed. Students must virtually attend class sessions until course work is concluded. Upon completion of course work, students must make an appointment with the credit recovery teacher to take an in person final exam. **Courses are NOT NCAA eligible.**

All courses offered will use the Odysseyware program. These are computer courses that are self-paced and require a student to be on task and motivated. While there is a teacher available for assistance, there will not be direct instruction. Class schedule follows UCS calendar. When there is no school, class will not meet.
