The spring SAT test is coming. Will you be ready? The MISD is offering a virtual SAT Prep workshop this winter. Students can choose from four dates to attend this one day workshop.

The workshop will provide students the opportunity to:

- Familiarize themselves with the exact format of the test and the types of questions to expect on each section of the test
- Gain specific SAT test strategies
- Practice pacing and time management that is needed to complete each section of the test

Registered students will receive directions along with a Zoom link and a link to the class materials. Students must access the materials **BEFORE** the class begins. Printing the materials is recommended, but not required unless the student is using an I-Pad or Smartphone. For those who can't print, students will need to use either a Chromebook or laptop, so they are able to access Zoom and the class materials at the same time. Please **DO NOT** complete the work ahead of time. One major benefit of this class is to experience the pacing needed to answer the questions during real-time with no preparation.

The virtual workshop is presented by experienced high school teachers:

ELA: Mark Julien, UCS Henry Ford II High

Math: Michelle Wood, UCS Adlai Stevenson High

Cost: \$30 in Macomb County; \$55 Out of County Student
