Good afternoon Utica High families,

Today closes Semester 1 and our last school day in 2020. I cannot say that I'm sad to see 2020 go! As we look ahead to 2021, we know there are a good many questions, and we will attend to those after break. For now, a few quick updates and a video message from me.

The quick updates:

- Teachers have until January 5, 2021 to submit grades and report cards will be emailed Friday, January 8.
- Student schedules are still being adjusted, but will be updated in PowerSchool by the end of next week and will populate to Schoology and Classlink by the morning of January 4th.
- We will start on January 4th on our A day in our current block schedule. I've updated the schedules under How Do I and in the UHS Back to School Documents section.

If your student has failed a class prior to this point or is at risk, we released information on Credit Recovery last week, and that process will start earlier this year. It can be found on the Utica High Counseling page, under Academics.

If you're looking for any of those prior messages, they can be found under the news tab or just below my Principal's Message on the front page of the website.

Now, that the business end of this Email is done, to the important stuff! I want to wish you and your families a very restful and happy holidays. Please click on the image to watch the message below. I continue to be grateful for all of you, for this incredible community, and for the students, staff and families I get to serve! I have a great deal of hope as we exit 2020 and begin 2021, and am proud of these amazing people with whom I learn and grow every day!

Happy Holidays everyone! Stay well, stay safe!

Tom Lietz
Principal

Utica High School Vision Statement:

Empowering students to reach their full potential as members of a global community.

Utica High School Mission Statement:

The mission of Utica High School is to develop successful learners with the support of our community of educators, students, and parents. Our diverse student body will have an equitable, rigorous, and comprehensive education in a safe and supportive environment that promotes self-discipline, motivation, and excellence in learning. We aim to cultivate individual learners with active and creative minds, and a sense of understanding and compassion for others.
